1. Ordering Your Vehicle Online

The Buy Online Website is available for you to configure, finance and place an order for a new vehicle for delivery or collection only in England, Scotland, Wales and Northern Ireland. You can separately arrange a part exchange for your existing vehicle with Shogun Retail Limited.

Hiring Your Vehicle

Where you order a new vehicle through our Buy Online Website, our role is to take you through the online order process where, if appropriate, you will be able to hire your new vehicle. We act as the credit broker in respect of the Hire Agreement, and Shogun Vehicle Leasing ("**SVL**") is the provider of the contract hire product.

Vehicle Availability

The information provided on the Buy Online website is based on offers available today, which may be altered at any point without prior notice.

Your order will be subject to availability, confirmation and acceptance by SVL.

The vehicles available on the Buy Online Website are from our current range, please note that certain

vehicles are only eligible for specific finance plans. Every care has been taken to show accurate information on the Buy Online Website, but please note that these images are for illustrative purposes only and it is possible that deviation from the exterior and interior colours shown may occur as a result of the screen used to view the Website. We cannot accept any liability for deviations in the colour of the exterior or interior of the vehicle ordered.

Ecommerce Pricing

As you progress through your online journey, you will be given the opportunity to customise your selected vehicle, adding accessories and other optional extras, the cost of which will be factored in to your rentals.

Any changes that are made to VAT rates (where applicable), registration fees, Vehicle Excise Duty and the Plug-in Van Grant are outside of our control and where such changes occur, we will adjust the rentals of the vehicle accordingly. You will be notified by email of any such changes.

The rentals quoted on the Buy Online Website are based on offers that are available today, we reserve the right to withdraw any promotion or offer on the Buy Online Website at any time and without prior notice.

Plug-in Car/Van Grant

The Plug-in Van Grant (PiVG) is a government grant available in the UK (excluding the Channel Islands and Isle of Man) that subsidises the cost of certain new plug-in vehicles. This includes the Mitsubishi Outlander PHEV Commercial and therefore reduces the Initial Rental and Monthly Rentals payable. The rentals shown for these vehicles on the Buy Online Website include the value of this grant.

2. Hire Agreement

The Hire Agreements available through the Buy Online Website are only available to UK residents, excluding Channel Islands and Isle of Man. You must be over 18 to apply and all finance is subject to status and credit application. If you are a resident of the Channel Islands or Isle of Man and wish to make a cash purchase of a new Mitsubishi vehicle online, please contact mitsubishi-buyonline@mitsubishi-cars.co.uk.

Order Process

Once you have configured your vehicle on the Buy Online Website and set your rental parameters, by submitting an order through the Buy Online website, you are stating your intention to enter into a Hire Agreement for your chosen vehicle.

We will complete your contract hire application for you based on the information that you provide. It is your responsibility to ensure it is accurate.

Once you have placed an order, we will send you an email acknowledgement, but a contract will not be formed at this stage.

We will assign an order number to your order and tell you what it is in your order acknowledgement. Please be prepared to tell us the order number and be prepared to answer security questions based on your personal data such as your address and email, if you call us.

We will submit your application to SVL, inputting the details that you have provided, so please check this carefully to ensure accuracy. We aim to submit your application within 24 hours of receipt of your order. Your finance request will then be reviewed and as part of this your application will be subject to the credit approval checks outlined below in Clause 16.

A decision as to whether or not to accept your application for finance should be made within 72 hours of us submitting your request. If your request for contract hire through SVL is declined, we will write to you by email to confirm and ask how you would like to proceed.

If your request for contract hire is accepted, we will notify you by email and then upload a document pack ("Document Pack"), including your Hire Agreement, to your Buy Online Customer Account. A password to access these documents will be emailed to you separately. We will also post your

Document Pack to you.

Document Pack

You are required to complete all of the documents in your Document Pack and return these to us either by post, or by uploading scanned copies of these to your Buy Online Customer Account.

If you are a previous Mitsubishi customer who has taken Contract Hire, you may already have a "Master Hire Agreement", in which case we will need to supply you with alternative documentation. If you believe this to be the case, please let us know.

Your Document Pack will include your Hire Agreement. By signing and returning this document you are making an offer to enter into the Hire Agreement. You are also confirming that you have reviewed and understood the financial commitments of the proposed Hire Agreement, including the Initial Rental and Monthly Rentals and are confident that you can meet these obligations. You are also confirming that you are not aware of any potential changes in your personal circumstances that could affect your ability to make these repayments over the term of the agreement.

SVL's acceptance of your offer to enter into your chosen Hire Agreement will take place after you have returned your signed Hire Agreement and provided all documentation requested by us and/or SVL (SVL will determine if the documentation is completed to its satisfaction and we and/or SVL will contact you if there are any issues) and we have confirmed acceptance to you.

Once SVL has confirmed acceptance of your offer, a contract will be formed between you and SVL for the hire and use of the new Mitsubishi vehicle.

Subsequent Contract Hire agreements for regulated customers will follow the process detailed above.

Returning Your Documents

Please ensure you complete the documents included in your Document Pack in accordance with the timescales, instructions and guidance included in the pack. Failure to do so will prevent us from further processing your order and cause unnecessary delays. Completion of your order and delivery or Handover of your new vehicle is conditional on you signing and returning your Hire Agreement to Mitsubishi Buy Online at least 14 working days prior to your planned vehicle Handover date.

If we are unable to accept your order because of factory related issues; issues with your eligibility prior to the date of delivery or collection (as applicable); or for any other reason; we will inform you of this and let you know of any other ways by which you may be able to obtain your new vehicle.

5. Part Exchange

If you choose to part exchange your current vehicle ("Part Exchange Vehicle") as part of the Buy Online process, we will supply you a vehicle valuation ("Valuation") based on the information you have provided to us and the estimated Handover date of your new Mitsubishi vehicle. If you choose to accept this Valuation then the amount offered will be provided to you in the form of cashback after the Handover of your new vehicle.

The Part Exchange Vehicle cannot be the asset of a VAT registered entity.

The Valuation is based on data supplied to us by British Car Auctions Limited and will be valid for a specified time period. We will notify you in your Buy Online Customer Account and by email when the Valuation is due to expire and, in the event of expiry, offer you the opportunity to obtain a revised Valuation your Part Exchange Vehicle.

A Valuation for your Part Exchange Vehicle will be supplied based on the information you have supplied to us and is dependent on the following criteria being met:

- a. You are the registered keeper of the Part Exchange Vehicle, have the legal right to sell it and possess the V5 document
- b. The vehicle is registered in mainland UK (we cannot accept vehicles registered in the Isle of Man or the Channel Islands)
- c. The vehicle (if required) has a valid MOT, which will have more than two months' remaining validity at the point of Handover
- d. At the Handover, the vehicle's mileage will be within 3,000 miles of that given during checkout
- e. The vehicle will not be due a service within 1,000 miles at the point of Handover
- f. There are no noticeable problems with the clutch, gearbox, suspension, steering, transmission or braking
- g. All electrical items are working as expected
- h. All tyres meet the minimum legal requirement
- i. The vehicle has not sustained major accident damage or been categorised as an insurance write off
- j. The vehicle has not been used for hire or reward as a taxi, emergency response vehicle, driving school tuition vehicle, Ministry of Defence vehicle etc
- k. The vehicle has not been modified for appearance or performance
- l. The mileage shown on the vehicle odometer is accurate
- m. The vehicle was sold by a franchised dealer in the UK, i.e. is not an unofficial import
- n. You are able to provide written proof of the vehicle's service history (if applicable)

If there are any changes to this information or we find the information supplied to be inaccurate or incomplete, we reserve the right to alter the Valuation and will notify you of this. We will carry out a history and mileage verification check and will contact you if we find any discrepancies.

The Handover of your new vehicle will be conducted by a participating Mitsubishi Dealer or Store, acting on behalf of Mitsubishi Buy Online. The Handover can be booked at any participating Mitsubishi Dealer or Store, with a number of dealers also offering the option to complete the Handover at your home or workplace. Please refer to Clause 8 for more information on the Handover process.

At the Handover, your current vehicle will be inspected and tested by the Mitsubishi Dealer or Store. They will use the same criteria to value your current vehicle as you have used on the Buy Online Website and if they find significant differences whilst carrying out this process, you will be notified and asked to make a debit or credit card payment to cover this difference.

At the time of the Handover, the Part Exchange Vehicle must not be due a service within 1,000 miles and the vehicle's mileage must be within 3,000 miles of the mileage stated at the time of Valuation.

At the Handover, you will be required to supply the Part Exchange Vehicle's V5, MOT certificate (if applicable) and proof of service history (if applicable) and provide all relevant items expected with the vehicle, e.g. keys, radio codes, and spare wheel etc.

If your Handover is taking place at your home or workplace and you have a Part Exchange Vehicle, you must ensure that the vehicle is in a roadworthy condition and contains a minimum of $\frac{1}{4}$ tank of fuel in order for the Handover to take place.

The risk and title of your Part Exchange Vehicle will pass to Mitsubishi Buy Online at the point at which the Handover takes place.

Settling Finance on Part Exchange Vehicles

As part of the Valuation process, you will be asked if there is any outstanding finance on your Part Exchange Vehicle. You can find this out by contacting the finance company or bank with whom you have the finance agreement.

Once your Hire Agreement is approved and your order is confirmed, we will contact you to ask how you plan to settle any outstanding finance on your Part Exchange Vehicle, which must be done prior to Handover.

If you wish for Mitsubishi Buy Online to settle any outstanding finance on your Part Exchange Vehicle on your behalf by deducting the amount from the Part Exchange Valuation amount owed to you, we will contact your lender to obtain your settlement figure and settle the finance on your behalf'.

Please note that we will arrange to pay you the value of your Part Exchange within 3 working days of your vehicle handover.

6. Test Drive

You can choose to take a test drive at any point during the Buy Online process at any participating Mitsubishi Dealer or Store. Although we make every effort to ensure that the vehicle(s) you have selected are available for test drive, occasionally, due to circumstances outside of our control, this might not be possible and on these occasions, we will do our best to notify you in advance.

The date, time and location of your test drive booking will be confirmed by email and you can amend or cancel this at any time by logging into your Buy Online Customer Account. The Mitsubishi Dealer or Store's details will be provided in your email confirmation in case you should need to contact them.

You will be required to bring your driving licence, which will be checked against the DVLA database before you can take a test drive.

7. Payment

Reservation Fee

For us to process your order for a new Mitsubishi vehicle, we will require payment of a refundable Reservation Fee of £350 by credit or debit card at the end of the online checkout process. This will be returned to you in full if you cancel your order, within 2 working days of you notifying us of such cancellation.

Any card payment that we take from you will be directed through a secure payment portal and your card details will not be stored by us. By making this payment, you confirm that you are authorised to use the payment method provided. We and/or your card issuer may carry out security checks to confirm that this is the case. Your order will not be submitted until this payment is authorised.

Please note that we only accept payment via debit or credit card. We do not accept payment via pre-paid cards or any other payment methods including but not limited to Apple Pay and/or PayPal. We are not responsible for any charges or penalties which may be imposed by the payment provider in connection with any payment made through the secure payment portal as a result of payment being processed.

Payment of the Reservation fee notifies us of your interest in a particular vehicle and of your intention to finance that vehicle via a Finance Agreement; it does not prevent that vehicle from being sold or withdrawn from sale prior to the completion of the Finance Agreement.

Your Reservation Fee will be returned to you in full within two working days of the vehicle Handover.

Any refund (of the Reservation Fee or that you may otherwise be owed) will be made via the same secure payment portal and to the same card that you used to pay with. If your card has been cancelled, expired or has otherwise changed, please inform us immediately. If you fail to do this and a refund is made to your original card, you may need to coordinate with your bank or your payment services provider to obtain your refund.

Delivery Fee

If you have elected for home/workplace delivery, we will take an additional payment of £100 inc VAT during the order process.

Initial Rental

Your Initial Rental payment will be taken by direct debit from the bank account you nominated shortly after your Handover date.

Ownership of the Vehicle

You will be responsible for insuring and servicing the vehicle, but because you are choosing to contract hire your new vehicle, it is important to remember that SVL will always own the vehicle, not you.

8. Vehicle Handover

We display an estimated lead time for your new vehicle during the vehicle purchase process and your selected Handover date will be based on this lead time. If the Handover of your new vehicle is delayed by events outside of our control or your Mitsubishi Dealer's control then we will notify you of this as soon as possible and take steps to minimise the delay. If there is a risk of substantial delay and we cannot provide you with an acceptable alternative, then you may contact us in writing to notify us of your cancellation of the contract. We will refund you for any payments already incurred in respect of your vehicle.

The Handover of your new Mitsubishi will be conducted by a participating Mitsubishi Dealer, acting on behalf of Mitsubishi Buy Online. The Handover can be booked at any participating Mitsubishi Dealer, with a number of dealers also offering the option to complete the Handover at your home or

workplace.

A Handover checklist will be uploaded to your Buy Online Customer Account to help you manage this process. The date will be confirmed in writing to you once we have received all outstanding payment and paperwork. If there is a delay caused by us not having received the paperwork from you, this may result in a reduction of your part exchange Valuation or other changes, for example the withdrawal of offers or incentives which may affect the contract hire deal agreed. If this is likely to happen, we will inform you in advance.

Whilst we will always do our utmost to try and achieve the agreed delivery date and time; however, we cannot be held responsible for delays caused by events outside of our control or the control of your Mitsubishi Dealer.

Please note that the mileage of your new vehicle will include delivery mileage of up to 100 miles.

Collect from Mitsubishi Dealer

If you have chosen to collect the vehicle from a participating Mitsubishi Dealer's premises, you will be given a time for collection on your selected date.

You will not be charged a delivery fee where you choose to collect your vehicle from a Mitsubishi Dealer.

Home Delivery

Please note that we can only deliver vehicles to your home or workplace and the address used for delivery must either be the billing or shipping address registered on your Buy Online Customer Account.

Home or workplace delivery will incur a cost of £100 inc VAT which will be charged to you as part of the checkout process (please see 'Payment and Ownership' for more information).

Please note that if you do choose to have your Handover at your home or workplace, there must be sufficient 3G or 4G mobile data signal to enable a Mitsubishi Dealer to access the Internet and conduct the Part Exchange Vehicle appraisal, if applicable. In the event that this is not possible, the Handover will need to be re-scheduled at a suitable location. If you have any concerns about the signal at your desired Vehicle Handover location, please contact us.

The Mitsubishi Dealer conducting your vehicle Handover will only be able to deliver the new vehicle to the person named as the customer in the order acknowledgement.

Identity Verification

The Mitsubishi Dealer will carry out an identity check for fraud prevention purposes.

In the event of collection from a Mitsubishi Dealer, your Dealer will verify and make copies of these documents before your vehicle is released to you.

In the event of home delivery, you will be asked to provide the original documents that we have requested in advance at the point of Handover. We will confirm acceptable forms of identity to you as part of the post-order process, but these include a valid passport or UK driving licence. The identification documents are required to ensure the vehicle is delivered to the correct person. On Handover, the Mitsubishi Dealer will review these to ensure their authenticity and if they have any doubt they will not hand the vehicle over to you. In this case, we may arrange an alternative date for the Handover with you.

Risk

You will be responsible for insuring the new vehicle from the point of the vehicle Handover. If you are eligible, you may elect to obtain a free Driveaway Insurance policy from our approved supplier after the point of order to help with this process. For customers resident in Northern Ireland, we will require proof that the vehicle is insured in the form of a valid vehicle insurance certificate before the Handover can take place. Please note that the mileage of your new vehicle will include delivery mileage of up to 100 miles.

9. Amending Your Order

You will be able to amend your order up until you have signed your Hire Agreement. Each amendment represents the request of a new offer and the potential cancellation of your existing order.

On receiving your amendment request, we will inform you of the impact of that change which could relate to delivery date, price of your new vehicle and value of your Part Exchange Vehicle; all of which may impact your initial and monthly rentals. If we both agree to the amendment of the order then a revised order confirmation will be sent to reflect your new order and your previous order will be cancelled.

If you do wish to amend your order, please contact us on 01285 647600 (Monday to Saturday 8am to 8pm and Sunday 10.30am-7pm) or email mitsubishi-buyonline@mitsubishi-cars.co.uk.

10. Cancellation/Returns

Cancelling Your Order

If you change your mind about an order for a new vehicle placed on the Buy Online Website, you can cancel this order at any point prior to SVL signing the Hire Agreement. To check whether SVL has signed the agreement, please contact us on 01285 647600 (Monday to Saturday 8am to 8pm and Sunday 10.30am to 7pm) or email mitsubishi-buyonline@mitsubishi-cars.co.uk. To cancel the agreement, please email mitsubishi-buyonline@mitsubishi-cars.co.uk or write to us at Mitsubishi Buy Online, Watermoor, Cirencester GL7 1LF. You will not be charged for the vehicle and the payment of your Reservation Fee and Delivery Fee will be refunded.

11. Consumer Rights and Faulty Goods

If you are taking the vehicle on hire as a consumer, you have certain legal rights in connection with your purchase/financing of a new vehicle.

If, on delivery, collection or Handover of your new vehicle, you discover a fault or find that the vehicle does not meet the specification chosen by you on the Buy Online Website, you must report this to us as possible since a delay in doing so might affect any remedy available to you. Please contact SVL on 0344 811 1659 or by emailing us at support@shogunvehicleleasing.co.uk or notify SVL at Heathside Park, Heathside Park Road, Stockport, SK3 0RB.

You have legal rights if we are unable to deliver the vehicle or make it available for collection, or if we are late in delivering the vehicle to you, or making it available for collection by you (where you have told us before we accepted your order that delivery or collection on the delivery date was essential). You can give us a new deadline for delivery (which must be reasonable), or you can cancel your order and reject the vehicle. If the vehicle has been delivered to you, you must either return it in person to your participating Mitsubishi Dealer or Store, or allow us to collect it from you. We will pay the costs of collection.

12. Manufacturer's Warranty

All our new vehicles have a 5 year, 62,500 mile warranty (whichever comes first).

For the latest terms and conditions surrounding the warranty please refer to the Mitsubishi website or see the details provided with the new Mitsubishi vehicle.

13. Our Liability to You

If we do not comply with these terms and conditions, we are responsible for loss or damage you suffer that is a foreseeable result of our breaching any term or our failing to use reasonable care and skill, but we are not responsible for any loss or damage that is not foreseeable. Loss or damage is

foreseeable if either it is obvious that it will happen or if, at the time the contract is made, both we and you know it might happen, for example, if you discuss it with us before you place your order.

We do not exclude or limit in any way our liability to you where it would be unlawful to do so. This includes liability for death or personal injury caused by our negligence or the negligence of our employees, agents or sub-contractors; for fraud or fraudulent misrepresentation; for breach of your consumer rights in relation to the vehicle.

You must keep the password secure and must not share it with any other person. Where the dispute relates to any financial services, then you can refer it to the Financial Ombudsman Service ("FOS"). Further details can be found at <http://www.financial-ombudsman.org.uk/> or if you prefer to speak to someone you can call 0300 123 9123 or 0800 023 4567.

Neither Motor Codes nor the FOS will charge you for referring a dispute (although you may pay an additional amount for any call to them) and if you are not satisfied with the outcome you can still bring legal proceedings.

In addition, please note that disputes may be submitted for online resolution to the *European Commission Online Dispute Resolution* platform. This is a resource dedicated to the out of court resolution of disputes in relation to contractual obligations arising out of online purchasing agreements and can provide assistance if there is a contractual dispute.

19. Other terms

Right to Transfer

We may transfer our rights and obligations under these terms to another organisation.

You need our consent to transfer your rights to someone else. You may only transfer your rights and obligations under these terms to another person if we agree to this in writing.

Parties to the Agreement

This agreement is between you and us. No other person shall have any rights to enforce any of its terms.

Severability

If a court finds part of these terms and conditions illegal, the rest will continue in force. Each of the paragraphs of these terms and conditions operates separately. If any court or relevant authority decides that any of them are unlawful, the remaining paragraphs will remain in full force and effect.

Delay

Even if we delay in enforcing these terms and conditions, we can still enforce them later. If we do not insist immediately that you do anything you are required to do under these terms, or if we delay in taking steps against you in respect of your breach of any of these terms, that will not mean that you do not have to do those things and it will not prevent us taking steps against you at a later date.

Amendments

Any changes we may make to these terms and conditions in the future will be posted on this page and, where appropriate, notified to you. The new terms and conditions may be displayed on-screen and you may be required to read and accept them to continue your use of our website and/or your Buy Online Customer Account.

Force Majeure

We will not be liable to you if we are unable to carry out any part of the agreement in supplying your new car for any reason beyond our control (e.g. Act of God, legislation, war, actions of third parties etc.)

Jurisdiction and Law

These terms and conditions are governed by English law and you can bring legal proceedings in respect of these terms and conditions in the English courts.
